about the show

Between **May 17 - 20 2022**, the largest city in the southern hemisphere will be the center of Latin-America's discussion on innovation and development in healthcare. São Paulo will host the 27th edition of Hospitalar, the largest and most important event in healthcare on the continent.

The great news is that as of 2022, Hospitalar takes place in the most modern exhibition complex in Latin America: **São Paulo Expo, a venue that offers great infrastructure and is very well located**. Perfect for showcasing innovation and technology in the exhibition pavilions and hosting discussions and presentations in the congress theaters and conference rooms.

As a consequence of the ongoing evolution and growth of Hospitalar, changing to this new venue means we can provide greater comfort and convenience for both our exhibitors and visitors – especially those who not only want to participate in this great show but also want to take advantage of everything the largest city in Brazil has to offer.

about the complex: São Paulo Expo

A modern exhibition center that offers a unique experience for all types of visitor, with complete infrastructure:
